Summer Enrichment

It's Fun! It's Free!

Everyone Welcome!

Incoming Freshmen: This is a great way to meet new classmates and learn your way around CCHS. Students may sign up for either or both sessions. If students are involved in conditioning, sports workouts or camps, they are welcome to attend the summer enrichment classes when they are not in their athletic activity.

Those taking credit courses during the summer are also invited to sign up for SEP classes. Driver's Ed is over by noon, so those students can sign up for SEP classes from 1:00 to 3:00.

Transportation: Limited bus transportation will be available at 8:00 a.m. and 3:00 p.m. from specific pickup locations. We will have several general locations such as Unity Point School, De Soto, and Erma Hayes Center. There will be no home pickups during the summer. The bus schedule will be mailed with your schedule and will also be posted on the website.

Note: If a course is offered at more than one time, you may only sign up for one of those times.
