Hello Freshman Class of 2024!

I hope you have had a great first week of class! I hope that each of you have managed to login LIVE to your classes, how fun was that?! I cannot wait for the day when we will be on campus all together! Hopefully that will happen sooner than later!

I will be mailing home a Welcome Back Folder with lots of information to help you have an awesome and very successful Freshman year! I will be joining you in your English class in September & we will review the information in your folder together.

Check out [My Virtual Office](#) to get to know me, links to useful websites, & brain breaks--click around for fun links! I will update throughout the year with important Freshman year information. You can schedule a meeting with me [here](#), or just click on the clock in my virtual office!

Right now your focus should be on attending class LIVE every Monday, Tuesday, Thursday & Friday! And completing all of your work so you don't get behind!

Virtual School Tips--always email your teacher right away if you are having issues connecting to a LIVE class. Be sure to fill out your Remote Attendance form **EACH** day! If you know you will be absent, alert your teachers & call CCHS (ext. 232). Check email, Google Classroom, & Microsoft Teams daily. Clean up & clear out your email inbox so it's easy to find what you need as well as anything new. Make a list of which teacher uses which platform & how to best access the link to LIVE class.

I am here to assist with questions related to classes, grades, personal concerns, and college & career planning. You can pretty much ask me anything & I will do my best to find you the answer!

Have a fantastic weekend and rest up for another great week next week!
