

Hello and welcome back Class of 2022!

Welcome to your second year in high school! It's time to build upon your hard work as a freshman, and to advance your academic and extracurricular life in a way that will provide you with the greatest possible future opportunities.

Our faculty and administration are extremely excited to help you strengthen your academic schedule. As you know, your GPA is an important aspect to succeed academically this year. Meeting graduation requirements is also very important.

I'm excited to meet each of you and work together on your goals. I hope you all had a relaxing summer break. My name is Brenda Krutsinger and I am thrilled to be your new counselor at CCHS! This is going to be a fun year filled with learning and growing. I cannot wait to get to know you!

I will be in your English class 4 times this year. In my class meetings, we will focus on academic and personal success as well as growth in the areas of stress management, coping, and study skills.

This year, my hope for the class of 2022, is for you to become advocates for yourselves and your future. That you find what it is that interests you and that you choose kindness and integrity when engaging with others. I hope that you can stay focused on your education and your future. I look forward to meeting you!

Please do not hesitate to stop by the counseling office, email me, or request an appointment.

Mrs. Krutsinger
School Counselor
