

Financial Aid Night

@ CCHS

CCHS Counseling, SIUC, JALC, and ISAC welcome you to a presentation on all things college financial aid! Get an overview of the different types of financial aid, learn all about the updated FAFSA, and find out how to apply for scholarships!

You and your parent/guardian will also receive help with the first step of the FAFSA: creating your FSA ID! Both you AND your parent/guardian need one to complete your FAFSA, make sure you both bring social security numbers to create your FSA ID. Bring your own laptop to create your FSA ID. A small number of laptops will be on hand for those who need it.

We will host additional nights beginning in January to assist you in completing the new FAFSA that will open in December.
