## PRE-TOURNAMENT COMMENTS

The 48th Annual SIOC/Carbondale Holiday Tournament welcomes 4 new schools to SIU Arena on December 27th, 28th and 29th, 2011. Collins Academy from Chicago and Carnahan out of St Louis, MO join our small school bracket along with Hazelwood West, MO and Arlington, TN joins our large school bracket. Collins Academy steps in as one of the top 4 seeds in our top bracket with Leroy Cox leading the Warriors (16pts, 7rebounds per game). Hazelwood West and Arlington both are top 4 seeds in our lower bracket. At press time, Hazelwood West has jumped out to a 4-1 record and Arlington has won 7 games.

Trico returns last years tournament MVP Chase Heins as the Pioneers hope to repeat and are the top seed in our small school bracket. But Memphis University School hopes to send Coach Jerry Peters out in style as Coach Peters has announced his retirement from coaching after this year. MUS has been fortunate to have Coach Peters at the helm for 50 years. Coach Jerry Peters has become a fan favorite at SIU Arena and we wish Coach Peters the best of luck in his final year.

Bartlett, our 2009 Champions, has other thoughts as Coach John Owen returns Marquarius Boddie and 2009 MVP Anthlon Bell. Bartlett has a 7-1 record. The Edwardsville Tigers also enters with only one lose and are lead by Senior Josh White and Juniors Tre Harris and Garrett Covington. As always, Edwardsville will be a well disciplined team under Coach Mike Waldo.

Raytown South may have suffered the toughest loss of all as Junior Ishmail Wainwright (#5 ranked Junior in the nation) left Raytown to attend Montrose Christian Academy in Maryland. The Cardinals return Senior Earl Peterson who hopes to lead Coach Oestreich squad to the Championship game on December 29th.

So sit back and enjoy 3 great days of basketball at SIU and CCHS; we guarantee you will not be able to find better basketball in all of Southern Illinois at this time.

## ATHLETIC COMPETITION

Athletic competition is a very important experience. It provides opportunities to test athletic skills and abilities in competitive situations. It also provides a realization of successful encounters and "never forgettable memories."

The first step to meet competitive challenges takes place in demanding practice sessions. The athletes realize that they must discipline their minds and bodies and cooperate with their coaches and teammates to prepare for "game time" competitive challenges.

We salute all former athletes who have achieved worthwhile goals in athletics, and we wait in excitement to cheer the present athletes to new athletic endeavors.

The original name  
for basketball was  
"indoor rugby."
