

Freshman Connection

Summer Newsletter

Thank you to everyone who completed the Parent Needs Assessment Survey. The results will help us build programming around needs moving forward. Students were also surveyed.

Students are encouraged to do activities they enjoy this summer - take time to read, hike, cook, create, learn, go outside, spend time with friends & family, etc.

“

Take some time this summer to do the things you enjoy!

”

Finals

Finish Strong!

Students: don't stop, keep working hard!

« Setting goals is a great start to achieving academic success. Set SMART goals: Specific, Measurable, Achievable, Realistic, and Timely. Check out [5 Tips About Goal Setting](#).

« Find an accountability partner: a parent, friend, family member, etc. and tell them about your goals. Make steps towards achieving your goals everyday. [Toolkit here](#).

« Use the [exam calculator](#) to determine what you need to get on your final to achieve the grade you want.

« For help with motivation, read this article about [motivation](#).

« Worried about finals, check out these [study tips](#).

Future Planning

This year, students completed the following..

Learning Styles Inventory
Career Cluster Assessment
Work Values Matcher

Ask your student about the Career Tree Activity & encourage them to begin researching careers & colleges this summer.

Class of
2025

Credit Recovery

CCHS Credit Recovery begins June 6

Rebound Credit Recovery begins June 13

Those who fail required coursework will receive CR flyers in early-June.

Summer Driver's Education

If your student has been approved for summer driver's education, you would have received an email from Ethan Graham on March 3. Please check your email for dates & session information. Students cannot miss more than 2 days. Students must pass 8 semesters of coursework & be age 15.

If your student can no longer attend, please email Ethan.Graham@cchs165.com.
