CLASSWIDE VISIT RECAP

Each quarter, I get the opportunity to meet with freshman students during their English class. This quarter we covered the following topics & activities:

- Explored the Class of 2025 Google Classroom
 - Ask your student to show you all the resources available
- Discussed the following concepts:
 - Credits, GPA, & Transcript
 - Graduation Requirements, College & NCAA Eligibility
 - Four Year Planning & Post-secondary Pathways (college/career/military)
- Reviewed fun 'assignment' titled *Welcome to Freshman Year*, which included:
 - Dear Future Me
 - SMART Goal Setting (academic, personal, future)
 - Who Am I
 - Timeline
 - Practice Resume
- Completed a GOAL SETTING activity
 - Students were given their transcript, which is currently blank and asked to write grade goals for each class, an attendance goal, list the number of credits required for graduation, & any future goals they have.
 - You should have received a copy of this in the mail, along with a Freshman Checklist, GPA Calculation Worksheet, Academic Recovery Plan, & letter from me.
- Responded to first *Class Checkpoint* survey.
