

CLASS OF 2027 QUARTERLY NEWSLETTER

WELCOME TO CCHS!!!

Hello Class of 2027
Students and Families! I am so excited to work with you over the next four years of high school. We will be partnering up to plan your coursework while at CCHS, as well as post-secondary planning (life after high school). In addition, I offer support to you for social, emotional and relational needs, along with our School Social Workers. We all want to see you succeed!

MAKING AN APPOINTMENT

Every student will be seen individually at least once a semester. I encourage students who have questions or concerns to schedule a meeting as needed throughout the school year. Parents are encouraged to email or call me to schedule an appointment. Students should utilize the scheduling link provided at the bottom of this newsletter.

FRESHMAN SIX

NINTH GRADE IS A CRITICAL YEAR- WE'VE PUT TOGETHER SOME TIPS TO HELP YOU START THE YEAR OFF ON THE RIGHT FOOT!

6

SIX CREDITS- EVERYTHING COUNTS!

By the end of 9th grade, you should have accumulated 6 credits- EVERY CLASS EARNS CREDIT!

BE THERE AND BE ON TIME!

Attendance is important and so is being on time! Missing class means more work to catch up on later.

GET ORGANIZED

Save time and effort by getting organized right away and staying organized throughout the year. Six classes is a lot to remember!

NO ZEROS!

Zeros drag your grades down. Turning in something is always better than nothing.

GET INVOLVED!

CCHS offers something for everyone! Getting involved enriches your experience and is a great way to meet other people!

ASK FOR HELP

We all want you to be successful at CCHS, so don't be afraid to ask for help from your teachers, counselor, social workers or any faculty or staff!
